

Mid-Year Update

January – June 2026 · Newsletter

A LIGHT-FILLED FIRST HALF

Dear friends and sponsors, thank you for walking alongside our children through another season. Here is a look at what your support made possible between January and June 2026.

New Classroom Block Completed

In March, we opened a new classroom block on the Centre's grounds, giving our youngest learners a dedicated space of their own for the first time. The block was made possible by a combination of sponsor contributions and a community fundraiser held in Baringo town.

Twelve Children Join Secondary School

This term, twelve of our children sat their transition exams and joined secondary schools across the county. We are grateful to the sponsors whose monthly gifts covered fees, uniforms, and boarding costs for each of them.

Community Outreach in Marigat

Our outreach team spent two weekends in Marigat distributing food packages and school supplies to families outside the Centre who are caring for vulnerable children within their own homes — part of our commitment to supporting the wider community, not only the children in residence.

Thank You

None of this happens without you. If you would like to sponsor a child, support a specific project, or simply send an encouraging word to the children, our contact details are on the back page of this newsletter and on our website.
